On January 13, 2025, Mr. Beckham left Costa Mesa Detox, a substance abuse treatment center in California, against medical advice. In a phone conversation with Mr. Beckham on this date, the undersigned agreed to permit Mr. Beckham to leave such treatment on the condition that he enter into treatment as soon as possible upon his arrival back in Spokane.

On January 23, 2025, Mr. Beckham still had not sought out any treatment options. The undersigned directed Mr. Beckham to be engaged in substance use disorder (SUD) treatment services no later than January 31, 2025. Mr. Beckham agreed to this deadline.

On February 4, 2025, Mr. Beckham met with the undersigned in the Spokane probation office. Mr. Beckham reported he had not entered into any SUD treatment services due to being "too busy."

On February 14, 2025, the undersigned contacted Mr. Beckham via telephone. Mr. Beckham reported he was to meet with treatment staff at Royal Life on this date to conclude his intake process. Mr. Beckham was instructed to have staff contact the undersigned to verify such; no such communication was ever received.

At the time of this report, the undersigned has not received any verifiable report of Mr. Beckham entering into any SUD treatment services.

2 **Special Condition #3:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Beckham allegedly violated the above-stated condition on or about February 4, 2025, by ingesting an illegal controlled substance, methamphetamine, as evidenced by a positive urinalysis test.

On February 4, 2025, Mr. Beckham met with the undersigned at the Spokane probation office and submitted to an observed urinalysis test. Mr. Beckham's urine sample returned presumptive positive results for methamphetamine. Mr. Beckham denied use of such substance, but did admit to being around individuals who use such. Mr. Beckham proceeded to sign a denial of use form. The urine sample was packaged in Mr. Beckham's presence and sent to the national testing lab (NTL) for confirmation testing.

On February 13, 2025, the NTL returned results confirming the positive presence of methamphetamine in Mr. Beckham's urine sample.

The U.S. Probation Office respectfully recommends the Court issue a **warrant** requiring the offender to appear to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
